expanded 2 4 D choline ESA incorporates KG and SS MR.docx

Hi Ed,

I reviewed the document and made a lot of edits and comments. A lot of it was cleaning up small stuff (i.e., having species names in italics). There are some more substantive comments too though, so please take a look at everything.

Exemption 5 Deliberative Process

Please let me or Sujatha know if you have any questions.

Thanks for all your hard work to date on this!!!!

I have incorporated comments from Sujatha and Kris. My position on the LPC has not changed and I have incorporated additional documentation to support.

Should this be nearing a final I will need a DP code for the action.
